

Dear competitors,

Here are a few words about the Organization of the Sensas European Challenge Super Final

It will be an outstanding event with the best of organisation and the finest of hospitality.

There is an internet site, available in 7 languages, developed in partnership with the tourism office, which is specifically dedicated to the event:

[www.finale-sensas-Europe-2011.com](http://www.finale-sensas-Europe-2011.com)

You can find all the information necessary for the event, for your travel and accommodation all online. There is also plenty of practical information, section plans etc...

Meeting of the teams, for the draw, will be carried out from 15: 00 till 18.00 on Friday, October 7th. This will be followed by an official dinner during which there will be a presentation of the teams. It would be appreciated if every team makes the effort to attend. For you information, this presentation will be hosted by Henri SANNIER in person.

We also ask you, if possible to have a photo of your team (preferably a fishing photo) so that we can prepare the presentation of the teams. Also you will need to fill out a fact sheet for your club or team (see attached form). This will have to be returned along with your confirmation of participation which will be sent to you in June.

However, you can now send your photo to the following address: [cfn@sensas.fr](mailto:cfn@sensas.fr)

Thank you for your attention, and I hope you all enjoy what will be a memorable event.

Christophe & Jean
